

## General Terms of Use of Drive Selection

Drive Selection is an online tool that presents an introductory and cursory configuration of motoreducers on the basis of key application parameters specified by you. Drive Selection takes into account only the most important data - you are advised to contact our technical advisor to obtain a detailed configuration. When using Drive Selection please mind that:

- (1) The products and solutions presented in the Drive Selection on the basis of the data provided by the Customer do not constitute an offer as understood by Art. 66-70 of the Civil Code.
- (2) Due to the complex and unique nature of drive solutions for specific applications and the multitude of variables please remember that Drive Selection is only for reference purposes and does not guarantee that an optimal selection has been made.
- (3) Drive Selection should be treated as the first step in contacts between the Customer and the Supplier, SEW-EURODRIVE Polska. The service's subsequent step allows to contact a technical advisor who will select the optimal products.
- (4) The supplier does not make any guarantees to the Customer that would be related to Drive Selection Terms of Use.
- (5) For the avoidance of doubt, the Supplier and the Customer shall properly perform the Service Terms pursuant to the general terms of responsibility specified in the act dated April 23, 1964 the Civil Code (Journal of Laws, 2019 Item 1145, as later amended). The Supplier shall not be held responsible for the Customer's product selection made without prior consultation with the employees of SEW-EURODRIVE Polska.
- (6) The Supplier and the Customer shall exercise due diligence when performing Service Conditions, with the Supplier's due diligence evaluated taking into account the professional nature of their business activity.
